Writing practice: object of postposition prefixes (answers)

The verb 'resemble, look like' takes a postpositional object. Here is the formula for this verb:

_____	-di	_____	u	_____	t'ën
object of postposition	postposition	outer subject	verb prefix	inner subject	root
	'resemble'		'resemble'		'resemble'

Study the forms in the left column. Then translate the English phrases into Witsuwit'en words and right them in the blank.
