

### Answers to possessive prefix review

For the possessed form of 'children', only the long form of 'your (sg.)' is possible because the possessed form begins with a vowel:

|                            |                  |
|----------------------------|------------------|
| 'my children'              | sizkak           |
| 'your children'            | nyizkak          |
| 'their children'           | hibizkak         |
| 'our/ your (pl.) children' | niwhizkak        |
|                            |                  |
| 'my language'              | skinic, sikinic  |
| 'your language'            | nkinic, nyikinic |
| 'their language'           | hibikinic        |
| 'our/your (pl.) language'  | niwhkinic        |
